

REMARKS

Claims 21-25, 27-30 and 33-36 have been amended. Claims 21-25, 27-30 and 33-36 remain in the application. It should be appreciated that the amended claims merely clarify the invention disclosed by the Applicant and are consistent with the specification and drawings.

Claims 21-25, 27-30 and 33-36 were objected to because of various informalities, and were rejected under 35 U.S.C. §112, second paragraph, as being indefinite. The claims have been amended accordingly.

Therefore, it is respectfully submitted that claims 21, 29 and 35, and the claims dependent therefrom, are in a condition for allowance, which allowance is respectfully solicited.

Based on the above, Applicant submits that the claims are in a condition for allowance, which allowance is respectfully solicited. If the Examiner finds to the contrary, it is respectfully requested that the undersigned in charge of this application be called at the telephone number given below to resolve any remaining issues.

Respectfully submitted,
